Browse fast and type less. Choose from personalized search results that instantly appear as you type and quickly browse previously visited web pages. Fill in forms quickly with Autofill.

Incognito Browsing. Use Incognito mode to browse the internet without saving your history. Browse privately across all your devices.

Access your Chrome across devices. When you sign in to Chrome, you can save bookmarks, passwords and more in your Google Account, so you can access them on your other devices.

All your favorite content, one tap away. Chrome is not just fast for Google Search, but designed so you are one tap away from all your favorite content. You can tap on your favorite news sites or social media directly from the new tab page. Chrome also has the "Tap to Search"- feature on most webpages. You can tap on any word or phrase to start a Google search while still in the page you are enjoying.

Protect your phone with Google Safe Browsing. Chrome has Google Safe Browsing built-in. It keeps your phone safe by showing warnings to you when you attempt to navigate to dangerous sites or download dangerous files.

Fast downloads and view web pages and videos offline Chrome has a dedicated download button, so you can easily download videos, pictures, and entire webpages with just one tap. Chrome also has downloads home right inside Chrome, where you can access all the content you downloaded, even when you are offline.

Google Voice Search. Chrome gives you an actual web browser you can talk to. Use your voice to find answers on-the-go without typing and go hands free. You can browse
